Sir:

The following information was received from a Confidential Source.

SOURCE stated that MONK BROTHERS PRINTERS, 2027 YOUNG STREET, was interviewed regarding a printed hand-Bill that had two photographs (profile and full face, similar to a police department "mug shot") of deceased President J.F. Kennedy, with several degrading statements printed under the photographs. SOURCE was informed by this firm that SUBJECT, an employee of LETTERCRAFT PRINTERS, 2615 OAK LAWN AVENUE, brought two different photographs of the late President, and wanted a negative film made from them. SOURCE was also told that the original photographs had been taken from "slick" paper magazines.

SOURCE then contacted SUBJECT. SUBJECT stated that on November 8, 1963, at approximately 11:00 am, an unknown white male, 30-40 years old, 5' 10" tall, 160 pounds, short curly black hair, and slender build, brought two ragged edge photographs of President Kennedy to LETTERCRAFT PRINTERS. The customer wanted a picture negative made from these photographs. LETTERCRAFT did not have the facilities, so SUBJECT took them to MONK BROTHERS, who made the film. SUBJECT stated that he charged the customer four dollars for the film, kept the money himself, and did not make a record of the transaction. SUBJECT'S mother, DOROTHY MERCER, is the owner of LETTERCRAFT PRINTERS. SOURCE also stated that
